

## **Winchester-F1b Mini Goldendoodle Dad**

Balto's Dad-Winchester is in great health with no known health issues of any kind. He is a loving Dad as well as enjoys spending his playtime with his humans playing fetch as well as receiving as many belly rubs as possible!

We have plans to test Dad in the next few months but we were too late for this current litter. If you have any questions contact us here at Blue Diamond Family Pups!

Thank you!
